

# tairmo<sup>®</sup> Allglass

Our premium product for improved heat insulation with flush Allglass surface

The HAHN Louvre Window Tairmo Allglass system captivates by its well-known and with architects popular Allglass optic while maintaining the innovative technology and function of the Tairmo system in focus. Thus the Tairmo Allglass Louvre Window creates an extended spectrum of application and design possibilities to architects and planners. Tested and certified for Natural ventilation (EN 14351-1), Smoke ventilation (EN 12101-2) and Ball protection safety (DIN 18032-3).
